CFS & VANGUARD® COLLECTION

Inspiration with every step

HOW TO USE YOUR NEW CFS & VANGUARD® E-BROCHURE

Below is a simple guide on how to use and navigate through the new e-Brochure. For the best interactive performance please ensure your software is up to date before downloading.

Are you itching to get your hands on our amazing products? Look no further than our Sample Request Centre! Simply click on this symbol  and voila! you'll be redirected to our easy-to-use sample request form. Whether it's for domestic or commercial use, we've got you covered. Choose from our vast array of samples and get a taste of what we have to offer. Not sure where to start or do you need a special request for samples? Don't worry, contact our helpful and knowledgeable staff, they are here to guide you every step of the way.

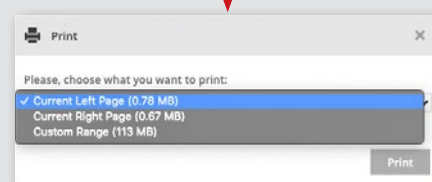

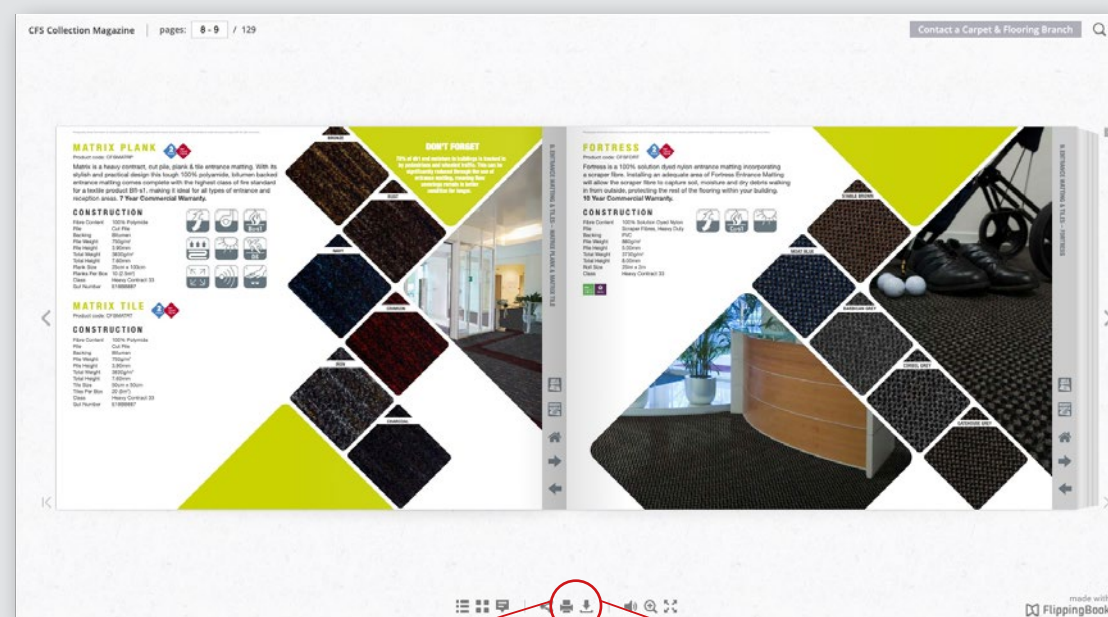

If that's not enough, you can also visit our website and go straight to the Sample Request Centre at <https://www.tradechoice.com/useful-links/samples>.

Photography shows the colours as closely as possible but CFS and Vanguard cannot guarantee the colours chosen; please order free samples to make sure you are happy with the style and colour.

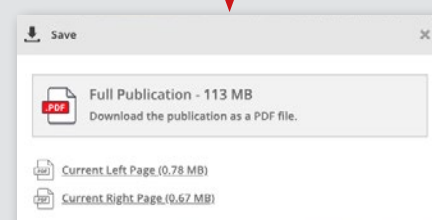

PRINT OR DOWNLOAD THE PAGE YOU NEED

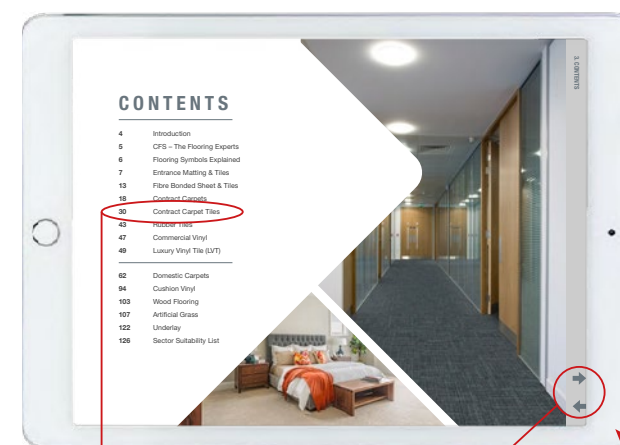

Within the FlippingBook window you can download or print either the whole publication or you can choose the individual page you want only.

From the 'Print' dialog box you can choose to print the current left page, current right page or a custom range.

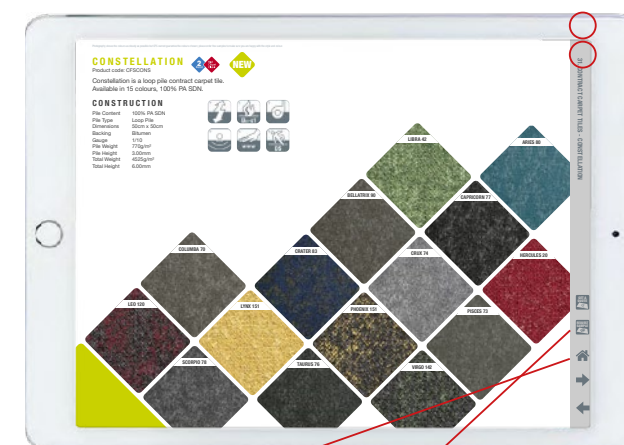

From the 'Save' dialog box you can choose to download the current left page, current right page or the full publication.

Clicking on any section in the contents page will take you to the relevant section.

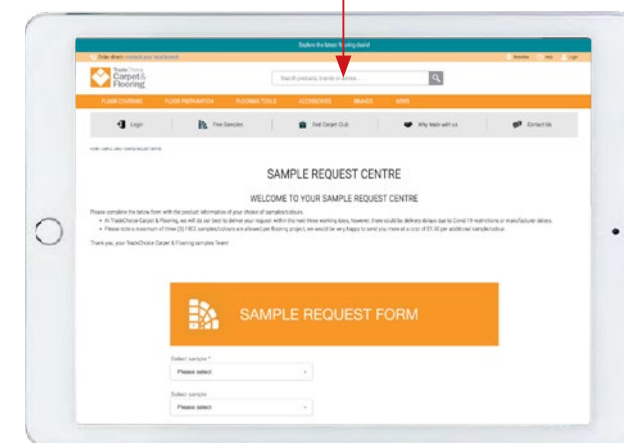

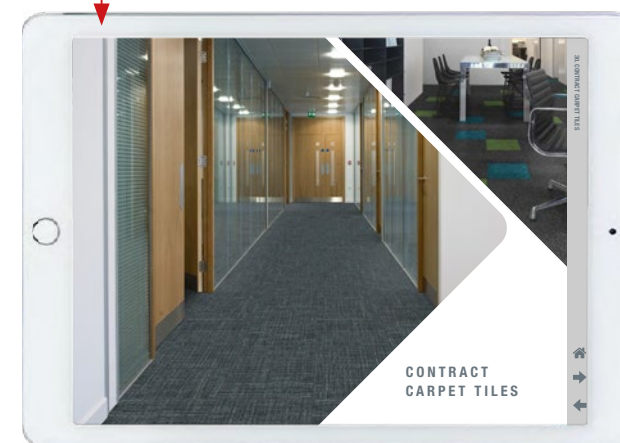

The arrows will take you forward or backward through the brochure.

The home button will take you back to the 'Contents' page.

Clicking on 'Request Sample' will take you to our Sample Request Centre where you can submit your details and sample requirements.

INNOVATIVE, INSPIRING, VERSATILE

From school reception to care home, from office to new build, we know that every project is individual. With this in mind, our enviable flooring range is designed to help you make the right choice. Be inspired by our range of colours, finishes and designs - across durable entrance matting, vinyl tiles, laminates, carpets and more - and bring your aspirations to life with great looking flooring.

CFS – THE FLOORING EXPERTS

With more than 40 years of expertise, CFS is your perfect fit when it comes to providing flooring solutions to meet your needs. Discover innovative products that blend quality, choice and cost-effectiveness - across the CFS contract range and CFS Home, for domestic settings. We help make life a little easier too, with our complete flooring packages - including coverings, underlay and accessories - plus our free sample service, free next day delivery and exceptional customer service, all in one place.

ENTRANCE MATTING & TILES

Photography shows the colours as closely as possible but CFS & Vanguard cannot guarantee the colours chosen; please order free samples to make sure you are happy with the style and colour.

FORTRESS

Product code: CFSFORT

Fortress is a 100% solution dyed nylon entrance matting incorporating a scraper fibre. Installing an adequate area of Fortress Entrance Matting will allow the scraper fibre to capture soil, moisture and dry debris walking in from outside, protecting the rest of the flooring within your building.
10 Year Commercial Warranty.
